

# 2023-2024 OFIS Annual Membership Information & Application

The Oregon Federation of Independent Schools (OFIS) is a nonprofit organization representing private preschool and K12 schools in Oregon. Governed by a board of directors reflecting the diversity of Oregon's private schools, OFIS works to ensure that Oregon private schools operate with a minimum of government influence or control so that parents can choose from a wide range of educational options for their children. OFIS conducts programs and meetings and sends email updates to keep its members informed of developments and news affecting private schools.

In past years, OFIS worked hard to ensure that Oregon laws and administrative rules regarding private schools did not unduly restrict private school operation in Oregon. This included appearances before the Oregon Department of Education's Private School Partnership Committee, the State Board of Education and Oregon legislative committees concerned with education. OFIS is an active member of the Private School Partnership Committee. Private School Appreciation Day has been proclaimed by the governor and affirmed by the Board of Education every year since 1991. We now look forward to Private School Appreciation Day being proclaimed on the first Thursday in February each year.

OFIS has received recognitions and commendations for its work from both the Council for American Private Education (CAPE) and the U.S. Department of Education.

All private schools need to join OFIS now to enable OFIS to do its job. School members are listed in the OFIS Directory on the OFIS website (ofisweb.org). Subject to underwriter approval, member schools are offered preferred insurance rates and dividends based on lower client acquisition costs.

-----  
-
